

Job Vacancy

Deputy Warehouse Supervisor

About Us

At Radnor Hills, we've been crafting award-winning soft drinks for over 35 years using pure spring water sourced just metres from our site. From bottled and canned drinks to TetraPak products, we proudly supply schools, shops, and supermarkets across the UK.

The Role

As Deputy Warehouse Supervisor you will support the Supervisor and Shift Manager to ensure the smooth running of our fast paced warehouse including packing and despatching retail product to customers.

Full training will be provided for the successful candidate.

What You'll Be Doing

- Supporting the Shift Manager in allocating labour requirements per shift.
- Provide training to the team of agency workers, identify any additional training activities required and update training records.
- Positively promote a culture ensuring good safe working practices in all areas and promote a collaborative food safety culture.
- Ensure that order plans are followed and any delays escalated to the Shift Manager.
- Conduct shift handovers with oncoming shift detailing issues on shift and priorities.
- Operate Business Central by opening and closing work orders, shipping loads, printing delivery notes and troubleshooting issues. Scan pallets following the procedure to produce and relocate into warehouses.
- Liaise with Goods-in and Despatch departments to ensure all out of hours activities are covered.
- GMP Standards – ensure all site specific GMP standards are always followed. Support GMP audits within your workplace.

What We're Looking For

- Previous experience of working within a busy production environment.
- Team Leading experience
- Good communication skills and a good level of written and spoken English.
- Ability to follow instruction.
- Problem solving.
- Ability to work under pressure to tight deadlines and changing priorities.

- Strong IT skills
- Health and Safety awareness.

Rate of Pay: £14.10

Optional overtime is paid at 1.5x your hourly rate.

Location: Heartsease, Knighton

Hours: 12-hour shifts, working a 4-on, 4-off shift pattern rotating between 06:00 – 18:00 and 18:00 – 06:00 every 2 blocks.
