JOB VACANCY

Multi-Skilled Engineer

About Us

At Radnor Hills, we've been crafting award-winning soft drinks for over 35 years using pure spring water sourced just metres from our site. From bottled and canned drinks to TetraPak products, we proudly supply schools, shops, and supermarkets across the UK.

The Role

As our team continues to grow, we are looking for a highly motivated, experienced Multi-Skilled Maintenance Engineer to join our dynamic Engineering Department. If you're passionate about Engineering and looking for a new challenge, this could be the opportunity for you.

As a member of the Engineering department, you will be responsible for ensuring our production and site equipment operates at peak performance through planned preventative maintenance, fault finding and a rapid response to breakdowns. You will play a key part in driving reliability, safety and continuous improvement across the plant.

What You'll Be Doing

- Carry out reactive and planned maintenance on a wide range of production equipment.
- Diagnose mechanical and electrical faults and implement effective repairs.
- Support continuous improvement projects to enhance plant performance.
- Work closely with production to minimise downtime and improve reliability.
- Maintain accurate maintenance records using CMMS and ensure compliance with site safety procedures.

What We're Looking For

- Time Served Engineer with a minimum of Level 3 qualification in an Engineering discipline.
- Multi-skilled with experience in both mechanical and electrical fault-finding.
- Experience working in a fast-paced manufacturing environment.
- Strong problem-solving skills with a pro-active approach to maintenance.
- The ability to fault find and interrogate PLC's would be advantageous.

Location: Heartsease, Knighton

Salary: We offer a competitive salary dependent upon experience and qualifications.

Hours: 12-hour shifts, working a 4-on, 4-off shift pattern rotating between 06:00 – 18:00 and 18:00 – 06:00 every 2 blocks.

Why Join Us?

At Radnor, you'll be part of a supportive, hardworking team in a growing company with an exciting future. Your role will have real impact—helping deliver quality products enjoyed across the country every day. Alongside your hourly rate employees at Radnor Hills also benefit from:

- Employee Benefits and Rewards access
- Refer a friend scheme
- Company Events
- EAP and access to a wellbeing portal
- Pension scheme
- Discounted Radnor Hills products
- Long service awards
- Training and development opportunities

If you have what it takes to join our team, we'd love to hear from you! If you wish to apply, please send your current CV and covering letter stating your salary expectations to jobs@radnorhills.co.uk
